

Food Journal Assignment

Rubric Details

Focus and Argument

3 possible points (30%)

Assessment

Does the essay address the various questions posed in the specific topic assignment?
When appropriate, is there a clear, simple argument that ties the paper together

0 - 3

Use of Evidence

3 possible points (30%)

Assessment

How well does the essay connect a general argument with specific evidence drawn from experience or research? Are the data sources, whether academic or personal, analyzed closely and in appropriate context? Are appropriate data sources chosen given the topic assignment?

0 - 3

Organization

2 possible points (20%)

Assessment

Is the essay well-structured, with a clear focus, supporting arguments and evidence laid out in a logical and effective order, and a coherent conclusion?

0 - 2

Style

2 possible points (20%)

Assessment

Does the paper fulfill the requirements of the essay as specified in the assignment, including length, citation use and style, and title? Do the language, syntax, grammar, and vocabulary of the essay fulfill expectations for analytical writing at the college level? Has the paper been adequately proofread and spell-checked?
